2010 FIM Environmental Award

Dear Sir or Madam,

We would like, first of all, to thank you for submitting a nomination for the 2010 FIM Environmental Award, whose profile was considered with great interest by the Jury.

As you know, the decision was taken on 22nd November at the FIM headquarters in Mies, Switzerland. After examining all the candidatures received, the Jury composed of Mr Andrejz Witkowski, FIM Vice-President, Ms Jill Savery, Olympic Gold medallist and environmental consultant, and Mr Christopher Cordey, expert in sustainable strategy development, decided to award the trophy to Team Betti Moto from Italy.

The FIM congratulates you for having made the promotion of the environment in your country or internationally and we support you in continuing your work in this field in the coming years.

As the FIM Environmental Award is awarded every year, we also encourage you to submit a nomination to the 2011 FIM Environmental Award. You will receive in due course further information about it.

We thank you again for your kind cooperation and for your support in the advancement of sustainable development.

Yours sincerely,

Guy Maitre

Chief Executive Officer
